Oh chilly... there he goes again. See you in a month or two...

OK, all of you are REALLY over reading this. When we made that rule, it was more for people that go out and steal a manip. For instance... I have a manip on my webpage, Pijon goes to said webpage, takes my manip, and posts it here as his own. SHAME! You can't do that. But we have allowed cover mods for as long as I can remember.

This isn't a copyright issue... it is a "rule among thieves" that you don't post someone else's work as your own.

And I Quote... since some of you have never read the posting policy. Quote:

You May NOT post the artwork of others as your own. No exceptions.

That really isn't that hard to understand... is it?

So, quit crying about playboy covers and Wolverine covers. The challenge is Cover Flip. They are meant to be funny. And if you find them offensive, follow Chilly out the door. OH, and let me know you are leaving so I can ban your IP. I don't want whiny bitches ruining things here at our awesome site.

Now, Shut your cake-holes and get back to posting.
