All in all, I spent \$75 on this rubbish and I find myself considering what else I could've spent that money on...

- ..a trip to the movies for me and the kids with concessions included and money left over
- ..an hour with one of the local "working girls" with money left over, about 58 minutes too much
- ..a small collection of new CDs or DVDs
- ..roughly 2 tanks of gasoline in my gas guzzling SUV
- .. 2 game cards for WoW (that's 4 months of play)
- ..that sweet B.C. Rich Warlock I saw on eBay
- ..some new art supplies
- .. a couple bottles of Kentucky's finest bourbon

The point is I, would have gotten far more enjoyment out of that \$75 with any of those and been far less ready to rant about confusing comics.
