Well, y'see now. I was a lil kid when I was ranting once about them thar idiot writerz all writin trash after trash. And my dad once said "You have to wade through A LOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOT of shit, to find the good stuff." So after Jim Lee left Xmen. I followed. Then I got in the military and didn't have time for nobody's nothing. And so now I just randomly wait for a trade paper back and then start asking people's opinions on whatever tpb caught my eye.
