Is anyone going to the Austin Comic Con? It isn't that big, but it is still a lot of fun! Let me know... we could meet up and y'all could buy me an over priced Super Hero Beer.

Wish I could be there...but I'm in another country

Mexico is another country... but all you have to do is drive on up... its just shy of 1000 miles... you could be here in 17 hours or so!

Fine... Effers... I see how you are. I will enjoy the nerds by myself. Maybe I can get kicked out when I go bitch slap Lou Ferrigno! "You ain't so tuff when you aren't green... are you!?"
