It will be really close to Halloween when finished doing it also for a fan-art contest (a lame one but just to do it)

Posting samples early for peoples opinions to see if I can get input for changes - While i made this pic before not in this detail and a long time ago

the 2 early editions of this are here -> <http://graffikarts.zoomshare.com/0.shtml/NewWorks>

done a couple years ago - i did a lot more updated art forms in the current one

Yes I know old ones do't compare - they were my early trials at this type of art and were doe closer to the time marvel zombies was out
