Thayne's and mine is submitted. Soon you will all BOW BEFORE OUR MIGHTY GENIUS!

**BWAHAHAHAHAHAHAHAHAHAHA!**

.....

Oops... sorry, I forgot I was supposed to not scare off those who haven't finished yet.

Thayne's and mine is submitted, but don't worry, I'm sure a blind hamster with a malfunctioning biro will be able to match our meagre efforts. So even you guys should have a fighting chance.

Better?
