Hey Wolf, I haven't been around here for a long time and the first time I drop by I get hit with a sucker punch! Damn Dude I am glad to hear the Chemo is working and that you are feeling as best you can. Still holding out here in Iraq, nine years now!! Fuck you would figure I would know when to get the hell out huh? Tell me what you would like to see and I will not only raid Heaven and Hell to make it happen I may dent the virtue of as many angels that I need to in order to make it happen!
