I always knew you were a poser. \*Oooohhhh!\*

tsk,tsk. Your're gonna have to do better than that, BB. That one was a give.

(maybe sumthin like,"no, posers are not allowed to participate in this month's challenge. They have their own separate section, called *more photos from Bikerbot*." snort\*)Ok, first off, it's *gimme*, not *give*.

Being a motorcyclist, I guess I should have said, "so, gonna ride your Harley two blocks down to the local bar?"

And lastly, there's a section called *more photos from Bikerbot*? Dude, how cool is that?
