I hope participants will approach this HM event with a community spirit. Everyone tries hard within their abilities. Two years ago I left HM after my "gift" was rejected as not being good enough to post at HM.

Don't worry Vee... I doubt you will have that problem again... being as said pain in the ass has been banned.

I would GLADLY take any gift that you might give me.  
But, we will have to see who you get for Secret Santa.

And Magnusch... sorry to hear about your loss. I had a hard drive crash last year... I can almost feel your pain!
