Are you kidding me? PoopMan all day long... he can be evil or... good-evil. Don't cross PoopMan!

LMAO It'd probably be the year's highest-grossing blockbuster.

I'm not a Marvel fan, but can't deny I have enjoyed most of their movies the last couple years (except the Avengers...hated that movie). So anything they put out I'm probably up to seeing.

DC: Wonder Woman for me. Or Aquaman.
