BB, you have the best boobs, chest-waist-hip ratio and hair colour of anyone here. Didn't you also get best personality and you want world peace?\*Tsk\* Shame on you, Max. It's all about looks when you think of me, isn't it? You should've put "best personality" first! Is that all I am to you? Just a piece of meat? Shouldn't you judge me for me, and not my boobs?  
(Actually, I thought my boobs were Wrinklehawk, Mayor McCheese and DragonDuck, but maybe you meant something else...)

Now go put some clothes on, we're judging manips, not a swimsuit contest.Uhh... How long have you been a member of this site? 'Cause if it isn't a beauty contest, I don't know what is!
