Commend things that made these movies favorites in my opinion, to me that is, favorites to me....

Nightmare on Elm Street - 1st time I say breast on TV.

Friday the 13th - 2nd time I say breast on TV.

Freddy Cruegar Vs Jason - Gave me wrestling and Comedy.

Texas Chainsaw Massacre - Made me want to see Jessica Biel as a wrestler.

But I must say above all - Tombraider - Turned me into a Angelina Jolie freak, started seeing her in every Tombraider game there after.

Preferred her in Transformers, Jennifer's Body, TMNT ReBoot, Batman, X-Men, Superman, where ever there was a Chick super hero. except replacing Michelle Rodríguez, even though she dies in all her movies, it seems that they are bringing her back to life in every movie...
