i've never been much of a big TMNT fan, never read the comic but i found original cartoon television series interesting and loved the live action movies [until they included Vanilla Ice..ugh! Turtle Rap]. but while everyone seems to be a big Micheal Bay hater I have enjoyed his movies. He does what most action movie fans love..HE BLOWS SHIT UP! So while I may not actually foot one cent to see his take on the Turtles in my local theatre..i will look forward to the DVD release.
