The first non-sanctioned Heromorph member meeting was held in Austin, Texas today. Me (JrMcDeath), Tartanninja, and Tartanninja's girlfriend got together at the iconic Nutty Brown Cafe for some ice cold coke, iced tea, and shared some quesadillas. (We might have had a few adult beverages but Tart was traveling and I was still working) Great time. We really need to do a true meet and greet one of these days. Just as long as we don't have to do it in The Great White North with Winterhawk.

Oh... and Tart can now prove that I do actually have a store front business... it isn't just some fib to keep me from doing manips.
