Okay, hopefully this is okay with the moderators. I missed placed this topic it belong in General Chit Chat I believe. But Pijon mentioned something that got me thinking, if I'm gonna challenge the Heromorphers to use this images in Manips, well, not challenge but hey I would love to see some art thrown together with these images...

I'll be posting them in the HFC, and for those who don't have a Gold Membership well, I'll have a link to deviant art so y'all can see them and use them...
