The link below is to the high rez version in the cookie jar. It's still kind of fuzzy, but we are manippers after all.
http://heromorph.com/heromorph2/modules/myalbum0/photo.php?lid=3243

Take your pick. Just post the number of the girl you are going to work on. No rules. You can manip her into what ever you want... including a sheep

If you don't have access to the jar you can pull it from my photobucket account here>>>
