Giving this more thought. Still a nice idea. But it needs work. Suggests on weapons of choice?

Also I think judging needs to expand. Though we may say we are impartial, we all have tastes and a challenge pic that fits our taste better than the other, even if it is of lesser quality, might get the vote. Also there's the name thing, some people have a name that's gonna tug on the judge's brainpan more so than others.

I think at a minimum we need 3 judges and at most 5 (2 and 4 being out cuz of the possibility of a tie).
