Is Evil Rising a movie? If it is, I have never seen it and have NO clue what the "theme" is.

I'm in... and all of you "Jacks and Jerks" are not of ALL trades.

Yeah, I just started trash talking....

Major in Photomanip with a minor in drawing...and a "I hate poser" amount of skill in Poser. (Which really isn't 3D) but don't let me rain on your parade.

(more trash talking... don't get offended!!)

But what is "Evil Rising"? I might be handcuffed on this before the competition even starts.
