Okay, now hold on, Speedy McFly. There's a little housekeeping in order here.

1- I will gladly lend my judging skills to Winterhawk and Black Alchemy's current duel. (*Remember guys, it's not just who gets the pizza and beer to me first, but also the quality of said items...*) I assume you are in for judging as well, Jr.?

2- Just to clarify, Billy is the Challenger (although that one can be debated in court, as VagabondEye threw down the gauntlet first, but I believe honor has been satisfied in that regard.) Therefore, Vag must choose the weapons. Unless I am mistaken, you have chosen **1-Same Base picture/pictures:** *"My weapon of choice: same MODEL (I'll suggest Francine Dee, cause she's easy to get and I'm quite "experienced" with her), any shot you can get, ORIGINAL costume WITH 1 PAGE (500 word max) "NARRATIVE".* Since you have chosen your weapon, Vag, you must provide the base picture, not Billy. Also, Billy has added the caveat of *"my only stipulation...its gotta be mainstream characters...and costumes..."* but that also is up to you both.

3- lastly, you must both agree on three judges. (And, hey, the three judges must agree, as well!) Since I am already judging, I offer my services (*again, for the same price!*) but you may pick any member who is willing.
