BTW...was lookin for your art and came up short. Care to hint me with where to look? Comawn, I show'd ya mine!You can find about 76 or so of the photomanips I have done right here at Heromorph, Including my very first one. just type in by winterhawk in the search to find them.

Quote:
Well, Ok. I guess you shrugged off my "NachtWaltz"...and a few others back on my site. Don't blame ya. My sketchings...well...um..."sketchy".I was not looking at your line art but I was looking at your photomanips. The homework challenges are about Photomanips rather then other types of art.

What? Well that's just mean. You mean I gotta go beat up folks for a "bully" avatar? A year ago, I'd be at yer throat in a sec, but I'm reformed now. I may even throw a few deuls to help out a friend who deserves one. It just ain't fair. Sigh. Nice guys get the crappy avatars.The duels are not really about that, They are about the joy of competing with a friend. Take the current duels for example.
Me vs Black Alchemy (we both have custom avatars)
You Vs. Billy (Billy has a custom avatar)
You vs. Jr.(Jr. has a custom Avatar)

If it was only about the avatars no one would be playing
