I'm putting together a file as we speak for the download central that has the helmet from this pic:

[Bird Call](#)

The helmet's not as good as Cage's, but it'll do in a pinch.

It'll also have few other items I've made in the past.

Gimme a few more days and I'll have it ready.

Good deal! I think you've just made a lot of people very happy, DD!
