We all need time to nurse life's wounds now and again.

The cool thing about this site, that I've found, is that there are a lot of good people who are willing to bend an ear, lend a shoulder, or open a virtual pipe through which one can vent.

'tis what keeps me coming back time and again.

Well, that and the great art...

So, feel free to utilize us here for any, or all of the aforementioned purposes.

I look forward to seeing more of your art.

And hope the best for you and your family through this difficult time.
