And folks drooling over the Wacom Tablet. We are not big spenders here... this is an older Wacom Intous 2 (I believe) I can't remember which one I am donating to the prizes. But it is either the medium or large Intous 2. (I'll double check when I get home) But still works great. I do not want anyone to be disappointing when they win and it isn't a Cintiq or a new Intous Pro. (Which I need!!) Just a heads up.
