I learned a lot since my earliest days here, and I've grown as a person and an artist and i like to think it shows

Since you'd mentioned to me that I was one of the first folk you'd met online, I feel qualified to judge. Yeah, I thought you were a bright promising upstart when you'd arrived but you're well beyond that. Heck, I'd like to think I've progressed a lot since then but now you're teaching me new things these days!

A remarkable level of advancement! It really shows in the work.
