I am sad to see Flash finishing for the season soon! Lots of cool characters showing up (Weather Wizard, Multi-Man, Captain Cold, The Mist, Plastique, Girder, Blackout, Rainbow Raider, Captain Boomerang) and it looks like Professor Zoom's going to be in the finale!

I guess Firestorm and Trickster have been confirmed and also more added to the "hinted at" list like Atom Smasher and Elongated Man.

There's already been a crossover with Arrow and the show really seems to be picking up speed. I am really enjoying this show and this is coming from someone who couldn't care less about the previous Flash TV show!
