Well, DC had the chance to learn from this mistake if they had paid attention to Marvel Movie licensing Issues.

FOX owns the rights to X-Men and Fantastic 4

Sony Owns the rights to Spider-Man

Flash forward a few years.

Marvel wants the X-Men for upcoming movies. Fox says no.

In retaliation, Disney Tells Marvel to stop creating any new X-men Characters, resulting in Fox only able to use characters that only currently exist and to cancel the Fantastic 4 so it could not be used for future movie plots based on the comics.

Congrats DC for saving yourself the trouble and shooting yourself in the foot early.
