No, no... not busting yr balls... yet.

What I'm saying is I don't know how to make a working set of clothes for Aiko 3. I'm not sure you're following me on this one. The reason I'm suggesting getting ahold of the Aiko 4 morph for Genesis is because it will allow you to use all those Aiko 3 outfits with it as well as those for Aiko 4, Victoria 3, Victoria 4, Genesis and even Michael 3 and Michael 4 with that model along with any others for those characters you might download along the way.

It would give you access to many more outfits to mix and match for Aiko pics.
