Well, Thank you Judges.

Congrats BA. Your years of experience paid off. I guess there are some advantages to being an old guy

.

Your image rocked. It was fun going up against you. As soon as you challenged me I new I was in for it, but that I was going to give you a run for your money. I think I did pretty good. I am pleased with my pictures. I would duel you again at the drop of a hat, I'll get you one day  
It was fun.

I learned some new tricks on this one. This is what the duels are all about. Two guys going and making some great pictures. We have 4 nice new pictures in the galleries that are really top notch work and that's what it is all about.

Again Great Work BA. You Rock
