Well this was just a disappointment. This challenge had potential and what did we get? Three entries. THREE. THREE!!

Now that's just a damned shame. All these members... and its the same three that are constantly participating. This is what I was talking about with the decline in activity. Seems like nobody wants to do things any more.

damned shame.... It's upsetting really. When the rest of us put forth the effort, we expect to see more... but we don't.
