Well Heromorph, it is approaching that time of year where we stuff turkeys and then stuff ourselves while we gather with friends and family.

I want to see your take on a Heromorph Thanks Giving. How do you envision fellow heromorphers celebrating? Is it all in fun, or a dysfunctional family, or battling an army of Cyber enhanced Mutant Turkeys?

You have until Saturday the 28th to submit your best Heromorph Turkey day Shenanigans

Have Fun!

I am going to expand this to ANY Superhero thanksgiving :)
