I've been out of the picture some time, can't remember what was the last image I posted... I'm looking forward for the Secret Santa to get a new breath of fresh air. I blame it on the binge watching, Once Upon A time, Walking Dead, Orange is the new black, Daredevil, Jessica Jones, Jesse, ANT farm, all AFV, Agents Of Shield, Arrow, Flash (1990), Still haven't started the newer Flash. Netflix I so Love to Hate you....

But I'll be back and counting on the secret Santa to rescue me from the Museless path of Binge watching...
