I, too, thought this was a tribute challenge.
So I'd vote for all of 'em...
and for all of the works represented in each of 'em...

I will say this, as far as challenges go, this at least drew out one of the best participation numbers.
All the monthly challenges should have so many entries!

And a great challenge it was, too. Not just 'cuz it made me go back through a whole year of postings,
but it gave a chance for a lot of great works to get viewed again by everybody!
Great job to all the participants, all the artists represented, AND to the creator of the challenge
itself--what a great idea!

So before I vote...
Are we voting for the best collage composition?
The best choices of pics within the collage?
The coolest background? :)
