Maybe sometimes two heads are better than one because this particular challenge was a team effort. 2 Moderators ideas came together on this one.

It is a tribute challenge. As to "how to vote", any standard you wish to apply is fine. Truthfully, I was undecided whether to put up a voting poll as you all are right, this challenge has nothing to do with competition. Since I am hearing some confusion as to how or whether we should vote on these, I'll allow for an additional option: if challenge participants prefer we not poll on this one and call it a "no contest", let your opinion be known. If there's majority agreement among participants, we'll just remove the poll. As far as I'm concerned, everybody wins on this one anyway.
