Sexy Superheroes has always been our thing here at Heromorph so let's celebrate it! Each week, we'll be picking a new sexy superhero and posting an image a day from some of our gallery's best artists. Be sure to stop by for a peek.

If you're really brave, feel free to do a sexy new image of this week's hero in the gallery and we'll be sure to include yours as well. This week, we'll be doing Banzai Girl. Enjoy.
