It's been, what, 3 years since my last manip. I am in.

Media doesn't matter. Yeah, I am talking to you 3D nerds.

Let's see.... I want to get away from all of my main favorites.
EDIT No Dagger....Changed my mind.
1. Sabine (Star Wars Rebels)
2. Empowered (Would like a torn up suit... but not necessary)
3. Banzai Girl (Let's honor our resident pro!!!)
