Hey Lady H, I have a question about the rules. Are we keeping it as simple as just characters that have appeared in comic books only or is it open to any form of comic panel? Example: the Movie Sky High and the tv Show Mighty Meds both have intros and endings that place the characters on a comic panel.

Any character who has appeared in comic form, whether it's a comic book, comic strip, animated series or movie. Just not a photo of Kevin Hart or Melissa McCarthy, not the type of comic we're looking for.
