HALL of FAME

A place of special tribute to Heromorph's most legendary, talented and gifted artists

Show More

["Ultimate" Jla](#)HeroMorph may have started with (*and literally meant!*) photomanips, but we soon attracted a wider variety of talent, including some magnificent traditional illustrators... and one of our finest pen-and-ink masters was the great **Pat2004**!

Pat2004 first caught HeroMorphers' attention with his superb black-and-white pinups of (*what else?*) comic book babes...

And we don't just mean black-and-white as in "*not coloured*", we mean black-and-white as in "*specifically created to make jaw-droppingly brilliant use of light and shadow*"!

Just check out these wonderful renditions of some of the gorgeous ladies of Marvel...

[The Wasp](#)

[Jubilee](#)

[Emma Pinup \(BW\)](#)

...and of DC!

[sexiest duo](#)

[supergirl at the window](#)

[Zatana BW](#)

But **Pat2004** is more than a one-trick pony! He also has a fine eye for that one subtle little splash of colour...

[The black queen \(aka Jean Grey\)](#)

[wolvie](#)

[Jenny Sparks](#)

...and can paint every bit as totally-bleeping-awesomely as he can draw!

[Jean and Emma](#)

[P. Parker is lucky](#)

[phoenix 2](#)

He also has a great sense of humour...

[incredible everyday life](#)

[sexist](#)

[wedding night](#)

...and a lot of beautiful images going beyond the classic capes-n-masks crowd to literary fantasy, video games, animation, and even his own original characters!

[firiona vie \(everquest\)](#)

[another lara + a friend](#)

[a personnel group](#)

Pat2004 is hands-down one of the greatest illustrators **HeroMorph** has ever been lucky enough to have... and a fitting choice for the second entrant into the prestigious **HeroMorph Hall of Fame!**

As a final word, remember to visit his [gallery](#) to see some truly amazing artwork.
