Stay tuned to see who will survive....er advance to the next round!

Contestants, unlike previous challenges that would be due at the end of the month, after you meet the criteria contained within your PMs, post a quick message here confirming you are completely finished with your entries for this round. Normal rules will still apply however. In the event you are unable to produce any images for this round by the end of the month, you will be voted out and not allowed to advance to the next round.

Viewers, when all the contestants have locked in their final entries, voting will begin immediately.

Have fun and welcome to the SMACKDOWN!
