I think the duels are getting about as out of control as the smack talking. I am here to duel, so I guess I am at y'all's mercy. But I will post with pleasure--whatever your decision might be. As for the smack talking... NO clue what your talking about. I am a quiet maniper just doing a dueling piece. Win or Loose... I will be happy with the image... and that is all that matters to me. Mainly 'cause I already gots me an Avatar!
