Lady H, what if we do this as an option? Add a new name each week, building a list to chose from? It would give more options.

Just an idea :)

I like this idea. Each Sunday we get a new name AND we can still be doing the old one(s).

I like Bill Murray but I think we should expand the selection of faces so that the challenge won't become boring.

I also sugest that it should always be new movie posters, don't re-use an image already done. Unless it's done by another person, in that case 2 persons might be working in the same movie posters at the same time without knowing...

Just my 2 cents.

Thoughts?
