I'm also thinking that a name change in the poster itself would be a great final finish to what has been done?

You know to made it more complete?

Like I said,

Quote:

There are only 3 rules:

The title must be: DDNN - *your title*

NO adult images! Meaning, must be regular gallery approved.

Have fun!!!

and later:

This addition will also come with an extra rule: Don't re-use any movie poster already posted.

Now, I also ask that who ever participate to post their images to the correct *Category*\* : **Monthly and other challenges**

It will help the moderators to keep track of all entries at the end of the challenge.

Other than the above mentioned, I repeat, **There are no rules**. You want to go all the way and change the faces, names and such? Go for it! Have Fun!

You just want to change the required face and nothing else? That's good too! Have a blast!

The only thing we ask of you is to Have Fun!

This challenge had the most amazing images with lots of people participating like I haven't seen in awhile... Let's not complicate things now.

That said, let's move on to our last week so that we finish this challenge at the same time as we end our [Secret Santa Event Signups](#). Did you joined yet?

Moving on...

Week 1 was with the most talented and funny [Mr. Bill Murray](#)

Week 2 we had the hilarious [Mr. John Belushi](#)

Week 3 - keeping up with early SNL members theme, we give you the multi-talented [Mr. Eddie Murphy](#)

You can not only make images with this week's name (**Mr. Eddie Murphy**), but also choose any of the previous weeks names: **Mr. Bill Murray** or **Mr. John Belushi**.

Now lets end this challenge with some terrific images and most important, Have Fun!
