Damn! Tazman beat us this year.

Oh, well! Since he already started I will only make it official.

Heromorph's Best Of 2017 Challenge

We have reached the end of another year filled with awesome gallery submissions and so it's time once again, to hand out awards for the best work. Who gets to decide what's best? You do! You pick the category, artist and image! You make the award!

The rules are simple:

Use existing HM gallery images in a new image to pay tribute to gallery art or artists and be sure to include the artist's name in the message section of your submission because, after all, you're making an award!

Choose the **Heromorph Awards** category and include "***your name* best of 2017**" in the title when submitting.

In the description, although not mandatory would be appreciated by the authors if you include the links to the original images of your choice.

Challenge starts January 1st, 2018 and runs through the end of the month. Please join in the fun and help us celebrate another year of great art and artists at Heromorph!

Here are the Lady Heromorph trophy PNG to include in your images (*frame and background are optional*):

Thanks DW for helping with these lovely trophies.

Looking forward to your choices this year.
