Since last month challenge was... let's say,... crapola, this month we are going to let participants do whatever they want.

No Rules (other than the site default rules)

No Theme (we had one that was pretty funny but what the hey, since there are always the same joining, we think you guys can handle a theme free challenge)

Time Limit until the last day of March.

AS ALWAYS, IF YOU WANT US TO KNOW YOU'RE ENTERING THE CHALLENGE, POST IN THE CORRECT CATEGORY ([Monthly and other challenges](#)) AND PUT IN THE TITLE: March Madness 2 - *your title*

Have Fun.
