Welcome to the madness, Magnusch and Drunkendragon and welcome back, Halcon89! It's great to see so many familiar faces showing up for the Madness!

Magnusch is really bringing the madness by giving the Hulk some powerful love when some super Marvel dudes get their hands on some DC bling...

Halcon89's sexy Batgirl in a bat-bikini is the type of madness that's sure to get your attention!

and Drunkendragon brought a whole bunch of helmeted hotties to the party with his great Star Wars tribute!
