(Actually, I thought my boobs were Wrinklehawk, Mayor McCheese and DragonDuck, but maybe you meant something else...)

I just got around to reading this... now that was funny. And since I am so far behind, everyone has taken all the smarta\$\$ things to say... but still funny none-the-less.

I fart in your general Die-wreck-shone!! Punk.

So, it appears that we are all going to have to beat the civilian... Outrageous doesn't justify not being posted in the adult section... being completely disgusting.. well, that is a different story... BRING IT!

Bathori are you going to share this new idea with us? Huh... R U... Huh... come on... tell us...

Oh, and BOOOOO!
