Greetings fellow Heromorphers!

Don't know how many of you have heard of this new mobile game Digimon go, no that's not it, oh yes Pokémon Go

Anyway one of the greatest things that has come from this game is the team Valor Facebook messenger group chat I made for us Dunedin players. It's a great group of general chit chat, talking the piss and even sometimes we even talk about pokémon, it's great fun. This got me wondering if anyone would be interested in a Heromorph group chat. Share and discuss comic news, ask for hints and tips for artwork and whatever else is on your minds.

So yeah just thought I throw it out there, what do you think?
