Original character...that's all I did BEFORE I came here.

Amalgam...had plenty o' practice there too.

Heroes out of time...that's new to me, but I got one on my boards now for Jr...and the head start wouldn't be fair.

Gender change...yawn. Agreed. Not that it's boring, but we do that all the time around here for fun anyway.

Who's yer daddy...isn't that the same as amalgam?

Gotta vote for product misplacement. Just seems like more fun then the rest of them.
