I am tired of waiting so, I will jump in and judge. The third vote for JR.

If this was a gun fight Jr. Brought a bazooka and Vagabond brought the limp carrot.

Both images were good. very good in fact.

VE's picture was a huge step forward but it appears a bit blurry, composition was very nice but the image lacked consistency of style, parts were in focus and others were not, parts looked painted and other over filtered. The style of this picture did not flow and that took away from it.

Jr's is Jr's, your attention to detail makes me sick. your skill is excellent. Great picture awesome details Truthfully, I think I liked the version without the stars and arrows above Supergirl. But other than that I have no complaints, not only is this my favorite picture from this duel but it is one of my favorite pictures from this year. Good Job Well Done.

Jr. Wins three to zero. Congrats.
