Well with all the Invisible Woman stuff popping up lately it inspired me to write the adult short story I've had kicking around in my head for a while now. Hope you all like it. I may u/l it to the Greyarchive as well if that's ok?

Unfortunately, I am going to have to disqualify "A Night in the Baxter Building" from the challenge. It is not an origin story and as the rules of this challenge states the short stories must be an origin story to be eligible.
