Ok Jr, you just HAD to remind me of this. Didn't you.

The very first time I ever saw Rocky Horror Picture Show. I was in highschool and went to some backwater theatre.

They threw rice, squirt guns, and all manner of nonsense. The messed up part was they acted the scene out on the stage in front of the screen. The guy in the golden speedos was late. So fat boy who was Meatloafs character ended up runnin around the theatre in golden undies, makin the floor shake.
